SOFTWARE DEVELOPER

Postgraduate Student in Computing at Dublin City University with an anticipated 2.1 grade, 2+ years of software development experience. Experience in Java, Spring Boot, API Development, Unit Testing, and Angular. Strong problem-solving abilities and effectively collaborated with cross-functional teams. Currently expanding expertise in Secure Software Development.

WORK EXPERIENCE

UST

[07/2022 - 07/2024]

Software Developer II

Pune, India

- Gained 2+ years of experience in backend development using Java, Spring Boot, and microservices architecture.
- Led unit testing efforts to ensure high code quality, reliability, and performance.
- Developed REST APIs and integrated into microservices-based systems.
- Implemented Microsoft Power BI for data visualization and reporting.
- Collaborated with cross-functional teams to deliver software solutions in an Agile environment.
- Experience with Angular for frontend development

Wolters Kluwer

[02/2022 - 07/2022]

Performance Testing Intern

Pune, India

- Applied performance testing tools such as LoadRunner to evaluate system response times and optimize user experience.
- Developed and implemented a performance testing plan that identified and resolved key performance issues.
- Conducted performance and load testing to identify and address performance bottlenecks.

EDUCATION

Master of Science: MSc in Computing (Secure Software Engineering)

2025

Dublin City University

Dublin, Ireland

The following modules will be covered throughout the course:

- Secure Programming
- Blockchain
- Cryptography and Number Theory
- Network Security
- Formal Programming
- Concurrent Programming
- Software Process Quality
- Professional & Research Practice

Bachelor of Engineering: Bachelor of Computer Engineering Pimpri Chinchwad College of Engineering Pune, India

2022

Pune, India

- **Grade**: 9.69 CGPA
- Relevant Coursework:
 - o Data Structures and Algorithms in Java
 - Computer Networks
 - Database Management Systems
 - Machine Learning
 - o Object-Oriented Programming
 - Note: Additional subjects covered in the curriculum are not listed.

SKILLS

- Java
- Spring Boot
- Unit Testing
- API Development

- Angular
- Microsoft Power BI
- Problem Solving
- Interpersonal Communication

EXTRA CURRICULAR ACTIVITIES

• Cell Head, Communication and Personality Development Cell

PCCOE ACM Student Chapter (Jul 2020 – Jul 2022). Organised events and workshops to enhance interpersonal communication skills among students.

LANGUAGES

- English C2 Level
- Hindi First Language

INTERESTS

Table Tennis - Member of Table Tennis Club at Dublin City University.

Dancing - Active member of the Dance Crew during undergraduate studies.
